## Welcome!

Camp Julian Oaks has opened its gates for private rental groups! Since we have this beautiful campground and we do not utilize it on a daily basis, we invite your group to take advantage of our site. In choosing Camp Julian Oaks as your retreat site, you are also helping to fund the efforts of Julian Oaks Youth Ministries to reach children who have been abused and are now living in foster homes & group homes throughout San Diego County.

## The 2-fold Blessing

Not only will your group benefit for renting the facility here, we will benefit from you! Any profits that are made over the weekend from the rental agreement (any money that goes beyond covering our utilities while you are here) goes directly towards furthering the ministry.

Julian Oaks is a Christian camp which ministers to children who have been removed from their homes for reasons of abuse or neglect. With the help of many volunteer counselors, children, between the ages of 9-18, who desperately need hope are touched by Jesus. They come to camp for a week in the summer, weekends in the winter, & other gatherings throughout the year, to enjoy a mountain camping experience like no other!
