Redeeming the Past, Providing a Joyful Present, & Offering True Hope for the Future through the love of Jesus Christ for Children Who Have Been Abused.

A Christian camp where children find the love of Jesus!

Read All About It!

Julian Oaks is a Christian camp which ministers to children who have been removed from their homes for reasons of abuse or neglect. With the help of many volunteer counselors, children between the ages of 9-18, who desperately need love and hope are touched by Jesus. They are invited to come to camp for a week in the summer, a weekend in the winter, & attend other gatherings throughout the year.

Developing relationships is key to the long term success of the camp program. In the summer we maintain a ratio are 2 children per counselor and only 20 children per week. In the winter months there are 12 children , with 1 child per counselor.

Jr. High Campers and Counselors explore the great outdoors

Campers are invited back every year until they graduate from High School– Many return to serve as Junior Counselors!

Julian Oaks offers activities including hiking, music & drama opportunities, crafts, swimming, games, worship, bible studies and most importantly, an opportunity for the healing of deep emotional wounds. This healing comes through the love of Jesus Christ that is shared with the children by the counselors & staff throughout their stay and beyond, with opportunities to reunite and be encouraged throughout the year.

As a supporter of Julian Oaks Youth Ministries, you are investing in the life of a child who desperately needs to experience the unconditional love of Jesus Christ & find hope for a future beyond the abuse. Your financial gifts help to provide an opportunity for children to come year after year & create milestones of healing.

Julian Oaks Youth Ministries offers many ways to do just that. The following are a few of the opportunities that are available to bless these children.

Become a Camp Counselor!

Counselors must be at least 19 years of age and have been a Christian for at least 2 years. A one week commitment in the summer or a weekend in the winter is all you need– We guarantee that you will be blessed as much as the camper!

Join the Friends of Orphans Auxiliary Group!

A group of dedicated people meet monthly to raise funds, coordinate events for campers and bless them with cards and crafts. Call Val Wright at 760-271-5357.

Pray! Breaking the bonds of generational abuse is a spiritual battle and the greatest need is prayer. Sign up to be a prayer partner for each camp, passing out prayer cards of individual campers and stand in the gap for these dear ones.

Contribute Financially! We would never want cost to impede a child from hearing the gospel or experiencing firsthand the unconditional love of Jesus. Children are invited to camp and asked to pay only \$30 for a full week of lodging, food, fun, transportation and more. Sponsoring a child for a week of summer camp, a weekend in the winter various events and discipleship activities costs approximately \$350.00. Please consider investing in the life of a child– generations of children may well be changed for eternity! A gift of any size is truly appreciated.

Consider Sponsoring a Camper!

Julian Oaks reaches many children throughout the entire year. Campers, volunteer counselors, and staff families enjoy summer and winter camps, reunion picnics, graduation dinners, alumni camps, servant opportunities and on-going discipleship.

There is only a nominal registration fee as we would never want cost to keep a child from hearing the Gospel. Your sponsorship will help ensure that children who desperately need to know of the love of Jesus, will have the cost of their participation in the ministry covered.

The estimated cost to provide this unique program is \$350 per camper. For \$30 a month or \$350 for the year you can help a child meet Jesus this year at Camp Julian Oaks!
